Appendix 1 (For Capital Investment Projects Only)

This section must be completed by all applicants seeking funding for capital investment projects to ensure that their application and sustainability plan address all key elements required of an eligible capital project. This section contains elements that will be verified during the selection process by the Community Entity and the Community Advisory Board.

Sustainability Plan

Long-term benefit for the community
Indicate how the purchased equipment or furniture, or renovated facility, will remain in the long term for the benefit of individuals who are homeless or at imminent risk of homelessness?
Operation for five years after the project ends
Indicate the operational impacts of the project (i.e., additional staff or services needed once the project is completed or additional demand for health and social services).
What are the relevant and related operational costs identified for the project? (Include any costs related to additional staff and service requirements).
Show what operational funding sources will cover the total operating costs related to the project. (i.e., a balanced annual operating budget for five years following the end date of the project).
Identify all the partners and operational funding sources identified in the sustainability plan.
